Dear brother

I am informed by Mr. Voorhees that Mr. John
Freelensson is appointed by the orphans court
our trustee if we ~~have~~ approve of him. I was much
surprised at your not attending court as you
talked of hear the executors have advertise the house
and lot bank stock and turnpike stock to be sold
on the 10 Nov next at Mans tavern -

I think it would be advisable
to advertise the stock in the New York and Elizabeth
town news papers. I am afraid the executors do not
under stand disposing of the stock

My aunt Miss Susan Marcellus died
in Boundbrook on the 18th of March last.
~~Upon~~ ^{Upon} looking over her effects a letter
written by you to the Postmaster of Bound-
brook inquiring if he knew anything
of some of your ancestors whose names
you mention therein. I suppose he
handed your letter to my aunt and
as she was rather an eccentric person
I suppose she never replied to it as
I also found an envelope with your
address on it which you had enclosed
in the letter for a reply. As that letter
bears no date I do not know when it
was written but suppose some years ago
Not knowing if this will be received by
you but if it is if you will write to me
I will write you and give you what in-
formation we have of the family.
